If you don't want to reset your password, please ignore this message. Your password will not be reset. If you have any concerns, please contact us at [ParentPay support](#).

6. Enter a new password in the box and then confirm it in the second box

The screenshot shows a web form titled "Change your ParentPay password". Below the title is the instruction "Please enter a new password for your ParentPay account." An orange banner contains the password requirements: "Password must contain between 8 and 20 characters, lowercase letters, at least one number." There are two input fields: "Password" and "Confirm password". At the bottom is a "Change password" button.

7. Now you can login to Parentpay with your email address and your new password.
