ATTENDANCE

Well done to **REDWOOD, SAL** and **LAUREL** classes for achieving the highest attendance during the last week.

School Ping

This is our new school to parent communication system—You should have received your letters, please log on and get started....if you have any issues please see the office.

Well Done to all the year 6 pupils who completed their SATs last week.

"The English, SPAG and Reading was easy but the Maths was harder. I was nervous before SATs but happy to get it done"

" The test was alright. I was worried about SATs but when you do it, it's less exhausting"

Overall, we think the year 6's are relieved to have finished their SATs. Well done to all the staff and parents who have worked so hard all year to help them to prepare.

Easter Raffle

We raised £216 from the Easter Raffle. The money was put towards buying plants to make our school look beautiful. We also purchased seeds for the vegetable garden so the children can grow their own veg.

Battery Hunt

Well done to everyone who has collected batteries to fill up their boxes in for the BIG BATTERY HUNT. A special well done to a pupil in Guava class. Anthony and his mum went and asked a local shop if they had any waste batteries that they were getting rid of and they did. They've collected 248 in total! That's awesome! Well Done Anthony for being so resourceful and determined.

Winner!

Today we talked to Anjali, who was one of the lucky prize winners. She had said that she bought the tickets for fun not knowing what was in store for her! Anjali said that when she saw people with prizes she did not expect that she was a winner even though people were saying she had won. She was so shocked when she was handed an Easter basket. At home, she said she took a million pictures of her wonderful prize.
