In Year 3, pupils have been learning about rocks and fossils in Science. Thalia, who wants to be a scientist when she grows up, has been visiting different beaches with her family. She found various types of rocks and fossils including a shark tooth! She researched and presented her collection beautifully for her class to see.

Keep up the research, Thaila!

CONGRATULATIONS to Krish Arora from Beech class who has recently passed his Grade 2, Electronic Keyboard exam, with Distinction, from the prestigious Trinity College London
