

Police Day by Shaurya Y6

On 30 November 22 the metropolitan police came to the Orchard Primary School - Year 6.

Dawn, our police officer, arrived to talk about "Cyber Crime" and started to talk to us about the different types of "Cyber Crime". We also had the opportunity to ask Dawn questions about her presentation at the end.

All crimes together are called: "The Computer Misuse Act 1990". However, she also taught us that some hacking activity is not criminal or illegal.

We also learnt about many more things, like: Secure Passwords, Personal Information and much more.
