Mayoral Visit

We were absolutely delighted to find out that the mayor of Hounslow, Councillor Tony Louki was able to come to our school as part of our work on Parliament week. A few of the children have written about this special occasion.

On 13th November 2019, the Mayor of Hounslow came to visit our school.

First he was introduced to everyone and spoke about his role as Mayor of Hounslow. Tony Louki (which is his name) also addressed serious issues such as litter and pollution, while telling everyone simple ways to keep our environment safe. Later the uppers had a chance to ask questions, whether it was about Hounslow or his own experiences. After the hall was emptied, the School Council personally asked their own questions and even got to take a picture with him. To conclude Tony's visit the School Council showed the Mayor around the school. By Dania (Maple Class)

When the Mayor of Hounslow came, we were asked to put questions to him. I was shocked, yet overjoyed when I heard that the Mayor had answered my question. He told us about his role as a Mayor and his work as a Councillor. It was interesting to learn about his role and to see his special clothes. Children asked about lots of important issues such as litter, plastic waste and knife crime. By Hayat – Maple Class

I was shocked when I heard that the Mayor of Hounslow was coming to our school. I'd never expected someone so special, someone so important, would even think of visiting us. When I saw the Mayor I had to blink twice to check that he was actually there. When he spoke to everyone in the hall, he didn't try to show off at all. He just seemed like a member of our community - one that shared the same concerns as us. By Saesha – Maple Class
