### Year 1 Performance

Last week I was lucky enough to be invited to the Year 1 production, Christmas with the Aliens. It was a fantastic performance filled with lots of fun, laughter and great costumes. The children performed extremely well and the singing was very enthusiastic!! A massive well done to the staff, children and parents who worked so hard to deliver the show, and thank you for the invite!

### End of School

 Please note children need to be collected at 3.30pm. Whilst the majority of parents collect their children on time, there are a number of children who have to wait to be collected from the school office due to lateness. Please do try and arrive on time.

Thank you

### Absence Email

### Information from Hounslow Council about Play Streets :

They say "Let your children PLAY outside this Feb half term! With the help of Play Streets, your children can play outside on your own residential road - without the worry of traffic getting in the way. Across London, people are signing up to PLAYSTREETS and creating a safe, fun and memorable street for local children to interact and play! SIGN UP and BOOK your own street for a few hours or a full day! Enjoy your own shared space, get to know the neighbours and let the children play in the fresh outdoors! Hounslow Council along with many other London council boroughs will be lending the initiative its full support. Playstreets has been running for one year and is suitable for all seasons! In 2020, we want to introduce more PLAYSTREETS all year round! Signing up has never been easier. New playstreets receive a 'Play Street Starter Kit' with bunting, chalk, clay, skipping ropes and more! There are already 55 Play Streets planned across the Borough in 2019, JOIN IN today!"
