### Tate Britain—By Zara K and Taqwa

Last year, the year three's had a wonderful day. A photographer called Jess from the Tate Museum came to Orchard to take a special photo of the year 3 classes. This photo was to be included into Steve McQueen's Tate One picture event.

This was a very exciting event where we first played games led by Jess. After this, she showed us a picture where we then had to try and create a story about what was happening. It was so much fun listening to everyone's different and wonderful ideas.

Finally, it was time to take our photo! This created a lovely buzz of excitement. We were then told by Jess that our photos will be displayed in the Tate museum to showcase the event.

### Kier

**BIG** thank you to Kier for our Adobe Doors

The Kier contractors who have been installing smart ventilation in our classrooms have kindly put bespoke doors on our Adobe which will keep the foxes out. This was gifted to us by Kier with a manager bringing his own tools to create them. The caretaker is about to pressure wash the interior so that the space can be used safely by our children as an extra learning space as the weather improves. We are so grateful for all the extra gratis work Kier have undertaken while they have been here which has included putting up display panels, fixing the Reception planting bed, getting balls down from the roof, clearing our gutters, moving heavy items, digging over the planting beds ready for Spring. Thank you Graham, Owen, Joe and Mohammed to name but a few of these gentlemen.

Adil (Sal) and Dania (Maple) from School Council thanking Kier on behalf of the school.
