School Streets – Feedback

We recently sent parents information on how to give feedback to the Traffic and Transport department on how you think the School Streets initiative which limits cars in Orchard Road is working. You have until Monday 26th July to make your opinions known if you haven't done so already! Either follow this link: <https://haveyoursay.hounslow.gov.uk/traffic-and-transport/hounslow-school-streets-survey-parents-carers>

or leave a voice message on 0208 583 3322. Thank you.

Easter Raffle

Over Easter we held a Raffle. As a result of your generosity, we raised £253, we have been able to buy some plants and seeds for our Orchard Garden.

Our Garden is well established now, it won't be long until our courgettes, beetroot, chillies and cucumbers are ready to pick. We would also like to thank Jas Autos in Hounslow for donating tyres and hub caps for the children to decorate.

We would not have been able to purchase any of these items without your kind support.

Thank you.
