#### Respecting our neighbours in this difficult time.

Thank you to all those of you that are complying with our guidance requests which is the majority of our school community. You are doing your bit to make our school safer and help tackle and quash this dreadful C19.

We would ask again that parents/ carers only come to the school gates at your entry time and not in advance. We would ask that only one adult enter the school to collect children; older siblings from neighbouring schools should not be meeting you on the school grounds during this pandemic. We will be delighted to see past pupils when the pandemic has passed.

We would request that you respect our neighbours by refraining from standing in their drives or leaving rubbish/ uneaten breakfasts on their walls and congregating outside of their homes which can be the consequence of arriving too early and trying to manage smaller children in the street.

Thank you
