

Yr. 6 Secondary Transition Day

On Tuesday, the Yr. 6's had the opportunity to visit their new schools for September. Varshavi and Saad share their experience.

I visited The Green School for Girls, it was like an emotional roller coaster! At times I felt quite anxious and at other times, I was extremely excited. I got the opportunity to experience taster lessons: I really liked Spanish although I chose to study French when I start Yr. 7. Overall, it was a fun day and it made me feel calmer about starting secondary school.

Yr. 6 Secondary Transition Day continued...

The Heathland School, which is rated Outstanding by Ofsted again, had an Open Day on Tuesday. It gave me a chance to experience what the school was like. There were many activities; a taster lesson, a tour of the school and a test (so they could choose our sets). The school also gave key information we needed. This school is flourishing and I am excited to continue my journey at this school. However, I will really miss The Orchard Primary School.

Getting down to business! Year 6 is taking part in Virgin Money's Make £5 Grow, a fun education programme for budding entrepreneurs. The school will be loaned £10 for every group taking part and this can be used to set up their own mini-businesses.

Pupils have to come up with a bright idea, make a plan, use their £10 to develop their product or service, and sell them for a profit at an Enterprise Fair on 15th July.

They'll get advice along the way from their teacher. Then it's game on to see who comes out on top! Best of all, the school keeps the profit to support their community after the original loan is paid back. #Make5Grow
