### Year 6 World War 2

In Year Six, we have been learning about World War 2!

World War 2 is a momentous part of our history. So far, we have learned about the way Neville Chamberlain (the Prime Minister at the time) and France appeased Hitler when he was trying to take back land. In class we did a House of Commons debate (Mrs Campbell was the Speaker of the House and we were MPs) to discuss whether appeasement was good or not. It was fun to discuss this in a debate format. We have also learnt about the causes of WW2. This includes the Treaty of Versailles, which happened in 1919 because of World War 1. Furthermore, we have learnt about the countries that Hitler invaded. These countries include: The Rhineland, Czechoslovakia and Austria. In the next few weeks, I hope to learn about The Blitz, rationing, evacuation and how soldiers survived the fighting that took place.
