

The Orchard Primary School: SCIENCE KNOWLEDGE ORGANISER

Topic Seasons

Year 1

Term Autumn

There are different types of weather

The country I live in is England

I wear different clothes to match the weather outside

Why are there different seasons?

How do we record the weather?

How do I use a thermometer to measure the temperature?

	Sunny
	Sunshine with cloud
	Cloudy
	Raining
	Thunder
	Windy
	Snow

weather	The state of the atmosphere at a particular place and time.
season	There are four divisions in a year
Spring	The season after winter and before summer.
Summer	The season after spring and before autumn.
Autumn	The season after summer and before winter.
Winter	The season after autumn and before spring.
weather forecast	A statement saying what the weather will be like today, the next day or for the next few days.
thermometer	A device used for measuring temperature.
temperature	The measured amount of heat in a place.
