The Orchard Primary School: HISTORY KNOWLEDGE ORGANISER

Topic: What is the Stone Age?

Year 3 | **Term: Autumn**

What should I already know?

I understand that a timeline shows major historical events in the order they happened.

I understand that Florence Nightingale and Mary Seacole lived a long time after the Great Fire of London.

I know that we can learn about the past from those who lived and witnessed such events. For example, Samuel Pepys' dairy helps us understand the causes of the fire and what it might have been like for those living through such events.

Key questions

KQ1 - How does a timeline help us with our learning in history?

KQ2-When was the prehistoric age in Britain?

KQ3 – What happened in Prehistoric Britain?

KQ4 - How do we know about prehistory?

KQ5 -What animals lived in prehistoric Britain?

KQ6- What was life in the Bronze period like?

KQ 7 -How did Iron Age people live?

KQ 8- How did Britain change during this period?

KQ9-How and why did this period in British history come to an end?
