THE ORCHARD CHILD

We recognise that all children are individuals with particular skills, talents and interests. As well as enjoying academic success we believe all children who leave The Orchard Primary school should be:

- **Confident and mature**
Self-assured, prepared to 'have a go' and approach new experiences and problems with interest and enthusiasm.

- **Articulate**
Able to communicate effectively with both adults and children

- **Independent**
Able to use their initiative and thinking skills, make positive choices and work on their own when appropriate.

- **Cooperative**
Able to work as part of a group or team when necessary.

- **Enthusiastic about their learning**
Enjoy learning and be motivated to pursue their interests further when not at school.

- **Responsible citizens**
Prepared for the 'real' world with the necessary life skills for now and the future including the ability to take responsibility for their choices and actions.

- **Respectful of others**
Able to recognise and respect the diversity in the school and the wider community. -Able to empathise with the views and feelings of others.

- **Healthy-**
Have knowledge of healthy lifestyles and an awareness of the factors that will contribute to their own good health and wellbeing.

- **Resilient & Positive**
Able to persevere and keep going when tasks become difficult and be determined to 'solve the problem'

The development of these important qualities as an Orchard Child also support pupils in their development and understanding of British Values
