From Mrs Bruce

Dear Parents/Carers,

Again, it has been lovely to see many of you around the school joining us for our Years 3,5 and 6 stay and learn sessions: we hope you find these valuable with additional strategies to help your child at home. Additionally, we have hosted online sessions run by the local authority mental health team for further ways to support your children.

As we enter into mid-October, the weather has definitely taken a turn. Please ensure your child brings an named coat to school daily for lunch and play times.

I hope you have a lovelyy weekend.

Kind regards,

Lorna Bruce

NSPCC

Today, we had a special visit from an NSPCC volunteer for our Speak Out. Stay Safe. workshop. We talked about different ways to keep ourselves safe and what we can do if something is making us feel worried, upset or uncomfortable. We learnt how important it is to speak to a trusted adult and that we should never feel afraid to ask for help.

We also learnt about Childline, where children can call 0800 1111 for free if they need someone to listen or help them. We really enjoyed the workshop and it reminded us that our feelings matter, there is always someone who will listen, and we all have the right to feel safe.
